Dear Mrs. Parlow.

*Your letter to hand. If the
meeting can definitely be fixed for Saturday
afternoon next that will be quite
satisfactory. I have a meeting in the
morning and an interview with Tamini
(which will be a long business) between
1 and 2.30.*

*Could you therefore possibly make
our meeting for say 3.30, that time
will suit both Quinlans and myself.*

B. & R. GRIFFITH

George must realise the vital importance
of a proper settlement as much as
we all do.

I shall conclude that the meeting
will be at 3.30 on Saturday next.

Please give all our kind regards to
Miss Parlow and accept same yourself.

Yours very truly
Bryce Griffith.
